## OFFICIAL STATEMENT DATED FEBRUARY 12, 2015

## **GORHAM SAVINGS BANK**

**NEW ISSUE** 

Financial Advisor S&P Rating: AA+

In the opinion of Bond Counsel, under existing statutes and court decisions, and assuming compliance with certain covenants, interest on the Bonds will not be included in the gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code as amended (the "Code") and such interest will not be treated as a preference item to be included in calculating alternative minimum taxable income under the Code with respect to individuals and corporations; however, such interest will be taken into account in the computation of certain taxes that may be imposed with respect to corporations, including, without limitation, the alternative minimum tax, the environmental tax and the foreign branch profits tax. Bond Counsel is also of the opinion that the interest paid on the Bonds is exempt from income tax imposed upon individuals by the State of Maine (the "State") under existing statutes and judicial decisions. The Bonds will be designated as "qualified tax-exempt obligations" for purposes of Section 265 (b)(3) of the Code. See "THE BONDS—TAX MATTERS" and "APPENDIX B" herein.

The legal opinion of Bernstein, Shur, Sawyer and Nelson of Portland, Maine, Bond Counsel, will be provided to the original purchaser and will indicate that the Bonds are valid and binding general obligations of the Town of York, Maine and, unless paid from other sources, are payable as to both principal and interest from ad valorem taxes which may be levied without limit as to rate or amount upon all the property within the territorial limits of the Town and taxable by it, except to the extent that the Town may enter into an agreement under Title 30-A, Chapter 223, Subchapter V of the Maine Revised Statutes, as amended, to share its assessed valuation with another municipality; and except to the extent that the Town has in the past established or may in the future establish municipal development districts as tax increment financing districts, pursuant to Title 30-A, Chapter 206 of the Maine Revised Statutesamended, the captured tax increment of which may not be available for payment of debt service on the Bonds. Within the limits established by statute, the Town has the right to designate municipal development districts pursuant to Chapter 206 of Title 30-A of the Maine Revised Statutes, as amended. The Town Treasurer has certified that no agreements under Chapter 223, Subchapter V, to share assessed valuation with another municipality, now exist. The opinion of Bond Counsel will indicate that the obligations of the Town, including the Bonds, are subject to bankruptcy, insolvency, moratorium and other laws affecting the rights and remedies of creditors generally, and are subject to general principles of equity. The opinion of Bond Counsel will be dated and given on and will speak as of the date of original delivery of the Bonds to the original purchasers.

The Bonds are being issued to provide funds for various capital projects of the town and school department. See "THE BONDS—AUTHORIZATION AND PURPOSE" herein.
